

LIKEABLE STEM

SUMMER
WORKSHOPS!

AT RARITAN PUBLIC LIBRARY

ANIMATION WORKSHOP FOR TWEEN/TEENS

Mondays : 6 p.m. – 8 p.m.
July 9, July 16, July 23, July 30

4 wks: 2 hours per class with
weekly project work.

Project: Creating your own
superhero comic and
animation. Presenting your
work.

At the end of the course, participants
would have understood how
animation works, the tools available
to get started and will be able to
create and publish their work.

Storyboard and Animation Workshop

History of Animation

Different animation
software programs.

Principles of
storyboarding, Paper to
digital creation.

Creating, saving,
downloading, and
publishing your animation.
