

## NJ Makers Day

### Button Make & Take

*March 23<sup>rd</sup> from 11am-2pm*

For the 5<sup>th</sup> annual Makers Day event the Raritan Public Library will be offering a button make and take event. Patrons can stop by to create or pick out a button design and take it home with them after it is finished. We will have a variety of templates on hand you can choose from. Come see how easy and fun it is to make buttons you can wear or pin to your bag.

Each participant gets 1 button to take home with them.

Raritan Public Library 54 East Somerset Street Raritan, NJ 08869 908-725-0413
