

Raritan Public Library 2019 Summer Reading Program

Blastoff!

RVCC Starlab Planetarium at the Library!

Wednesday, June 19 at 3:00 p.m.

Ages 6+

Starlab Portable Planetarium from Raritan Valley Community College is coming to the library for a constellations and mythology show! Learn how to find the star constellations and learn the stories behind them. The inflatable dome will be in the Community Room in the Library.

An “astronaut’s picnic” of snacks will be served following the show, when you will receive your reading log and materials for the Summer Reading Program! Summer reading runs June 19 through August 23, offers special activities all summer, and rewards participants who log their reading and literacy activities with prizes and drawings!

REGISTRATION IS REQUIRED FOR THIS “BLAST OFF” TO SUMMER READING! “SPACE” IS LIMITED WITHIN THE STARLAB PLANETARIUM.
