

# Raritan Public Library 2019 Summer Reading Program

## Blast off with "SPACE" STATIONS ACTIVITIES

Wednesday, June 19

4:30 - 6:30 P.M.      Ages 6+

Space "Stations" include:

- Get your Summer Reading log and win prizes all summer long!
- Selfie on Another Planet!
- Giant Leap!
- Make a Mission Patch!
- Summer Book Club Fun Quiz and prizes!
- Planetary voyage- how far can you propel a craft through the Solar System?
- Test straw rockets you make!
- Make and name your own Constellations artwork!
- Planetary core egg experiment!
- Identify Moon Phases with Oreo cookies!
- Compare the relative size and mass of the planets!
- Experience the "gravity" on different planets with bicep curls!
- Make and test shock absorbers on your own "lunar lander"!
- Guess the relative sizes and distance between the Earth and the Moon!
- Make a planet or a few for a Solar System mobile!
- Experiment with making craters!
- Play games with NASA Kids at an IPAD station!
