

# Learn how to code a video game with **CODE NINJAS!** Saturday, June 29 at 2:00 and 2:30

***Come to the Library for this free coding event for children ages 7-14. Code Ninja Senseis will be here to show you how to build a video game in Scratch, a code created at MIT for children to learn game coding. Registration is required in advance for a half hour session, starting at 2 or 2:30\*. (We will not be able to accommodate late arrivals, so sign up and come early to have a seat at a laptop and instruction from a Code Ninja Sensei!) \*The Library closes at 3 on Saturday, so please do your library check-ins and check-outs before your coding session. Thank you!***
