**Sign up for STEM Scholar Workshops and**  
**EXPERIMENT! For Grades 5-8**

**Under the mentorship of a team of science students, in each workshop students will have the opportunity to do a hands-on science experiment, work collaboratively, and learn and apply the science behind the demonstration. Each session will deal with a different science topic to provide variety and allow the students to explore the different sciences. Find out what kind of science inspires you to want to learn more, and have fun in a safe and friendly environment! Sign up for dates and times.**
