Poets Wanted for 2020 Poetry Month Celebration

Calling all student poets, of any age! Write a poem at the library, at home or in school, and hand in a copy of your poem to Ms. Carol, who will collect children’s and teen’s poetry for publication in the annual April 2020 anthology. Published poets will be recognized at a reception and poetry reading at the library in April, and given a copy of the published anthology. See Ms. Carol for the permission form to be signed by your adult.
